

Dear Mr. Powell and FCC Members:

It has been my experience that with all the media consolidation that we, as the public...owner of our airwaves, are now having less and less choice in our programming. Our Democracy is based on getting the information we need to make informed decisions. The fact that less and less choice through consolidation puts our society in jeopardy. I am totally against these new policies and find them unconscienable to our society. I would like you to roll back these outrageous policies to include the public voice.

Respectfully,
Joanne DiVito
